The Court finds:

☐ Reasonable efforts were made to prevent or eliminate the need for removal, including:

or

☐ Due to the emergency nature of the situation, no reasonable efforts could be made to prevent removal because:

and

It is in the best interests of the child to be removed from the home environment or remaining in the home would be contrary to the health and welfare of the child.

Responsibility for the placement and care of the child is ordered to the _____ county probation department.

Placement of the Juvenile is ordered to be in secure/non-secure custody at:

A detention hearing should be held pursuant to IC 31-37-6 on _____, 20__ at _____.M. or as soon thereafter as the matter may be heard by the Court and that such Intake Officer should notify said juvenile and said juvenile's parent, guardian or custodian of same.

or

The child is hereby released to the care of _____.

An emergency exists which requires an immediate out of home placement to protect the health and safety of the child.

(If non-secure placement is ordered) The court shall provide the DCS with a copy of this order. DCS may submit to the court within three business days after receipt of this order a report stating its concurrence in the placement or any recommendation for an alternative placement.
